

THE STORY WITHIN

Myth and Fairy Tale in Therapy

TSW® Training Program

With Yehudit Silverman

Pre-requisites: Professional therapist currently in practice seeing clients. Proof of having personally gone through *The Story Within* process either at Concordia University or with an online support group supervised by Yehudit. Must have the book since it will be used throughout the training. Completed application. Permission from Yehudit. (*exceptions and scholarships for health workers active in remote, Indigenous, or underserved communities*)

Three levels - limited enrollment – 6-8 participants in a group
65\$ per session - total = \$390 per level

Each level is six sessions of two hrs

TSW ® Training/Supervision Model

Level I

Fundamentals of each step of the process, how to initiate and what to look out for
Basic concepts and therapeutic framework
Supervision of one session example from each member of the group
Creative DNA and how to recognize in self and clients
Pacing, transitions from one stage to the next

Level II

More depth of each stage of the process
TSW with trauma
Differences between TSW with individuals and groups
Blind spots and how to see them
Role of the witness and how to develop in group
Supervision of one case example from each member of the group

Level III

Group Case studies - each member leading a group only doing TSW approach
Notes and videos of sessions
Paper on TSW with specific population group (could be included in new volume of book)

After completion of three levels will receive:
Certificate of TSW® Training – TSW® Practitioner

Eligible for referrals internationally to work with individuals and groups
